Dear Parents,

Thank you for your interest in The Children's Place! As part of the ministry of United Presbyterian Church of Albany, we provide an educational experience in a warm and loving atmosphere for children **six weeks of age to five years old**. Our year-round program has served hundreds of families and children in the Albany, Oregon community since 1992.

Our **hours of operation** are Monday-Friday, 7:00am-5:30pm. Our office is closed on Mondays. Full-time care is considered Mon-Fri, up to 9.5 hours per day. Part-time is Mon-Fri, 7am-12pm.

Tuition is due on the 5th of the month. A discount of 15% off the lowest tuition price is available to families with two or more siblings in our care. We also offer a cash/check discount of 3% off.

Our **full-time rates** are as follows:

- Infants - \$1075
- Wobblers/Toddlers - \$1024
- Younger Preschool - \$815
- Older Preschool - \$725

Although each classroom, teacher, and volunteer at our center are all unique and self-reliant, we all focus on creating a **caring and nurturing environment for both children and families**. Children are provided an assortment of age-appropriate activities that encourage social and emotional development, critical thinking, and language and literacy development.

A morning snack, lunch and afternoon snack are provided to every child, every day. Children who attend part-time are given a morning snack and lunch. Our kitchen staff are very knowledgeable and work hard to create healthy, kid-friendly meals. We do our best to accommodate a wide range of food allergies and sensitivities. **We are a nut free center.**

While **we honor the beliefs and traditions of all our families**, our preschool classes do attend a bi-monthly Chapel Time where they are read a story from the Bible. Our center enters rest time from 12:30pm-2:30pm daily. The infant room follows the individual schedules of the babies.

The Children's Place is blessed with happy, confident, loving staff that come to work ready to provide your child and family with the best care possible. Please call or email us if you are interested in **scheduling a tour** of our center or would like to **enroll your child** in our program.

We look forward to meeting you!
