

Thank you for your interest in The Children's Place!

We are a year round child care facility that cares for children ages 6 weeks to 5 years old. We are an extension of the United Presbyterian Church, where we have been focusing on nurturing happy, healthy children since 1992. This letter is created to answer some questions you may have about our facility.

Hours of operation- 6:45am-5:15pm

Our rates and enrollment options- Our current monthly tuition rate for full time care: Full time care is considered Monday-Friday

- Infant room \$1163.00
- Wobbler room \$1108.00
- Toddler room \$1108.00
- Preschool room \$882.00
- Pre-K Room \$784.00

We offer a cash/check **discount** off of monthly tuition along with a **sibling discount** off of one of the tuition.

Classroom configuration- There are different teacher to child ratios for different age groups. Our infant room and wobbler room ratio is 1 teacher per 4 children not to exceed 8 children. Our Toddler room is 1 teacher per 5 children not to exceed 10 children. Both of our preschool rooms' ratio is 1 teacher per 10 children not to exceed 20 children. Even though we can have 20 children in our preschool room we like to keep the rooms at about 16-18 children.

Although each classroom has its own individualism we all focus on creating a caring, nurturing environment that both children and families are welcomed. Our teachers provide an assortment of different materials that encourage children's social and emotional development, critical thinking and language and literacy development.

Our preschool classes attend chapel time where they are introduced to *Godly Play*; an interactive biblical story led by our church ministries. We work hard to honor the beliefs and traditions of all our families.

Our classrooms enter rest time at 12:30-2:30; where the blinds will be closed and soft soothing music plays. Our infant room follows the individual needs of the babies.

Meal time- Our center provides morning snacks, lunch and afternoon snacks. Our kitchen staff are very knowledgeable and work hard at creating healthy kid friendly meals. If you have allergies or food sensitivities we do our best to accommodate these needs. **We are a nut free center.**

Our center is blessed to be staffed with happy, confident, loving staff that come to work ready to provide your child and family with the best care possible. If it sounds like we will meet your needs and you are interested in scheduling a tour and added to our waitlist please contact us.

We look forward to meeting you.
